Item 3. Source of Amount of Funds or Other Compensation

Item 3 is hereby amended and modified as follows:

The Reporting Persons beneficially own an aggregate of 6,607,680 shares of Common Stock (the "Shares"), all of which were purchased by the Reporting Persons in open market transactions, for an aggregate of approximately \$13.3 million.

The source of funding for the purchase of the Common Stock held by the Reporting Persons was the personal funds of the respective purchasers.

Item 4. Purpose of Transaction

On March 2, 2020, the Reporting Persons issued a press release, a copy of which is incorporated by reference herein as Exhibit 99.2 hereto, which included a letter to the Board of Directors of the Issuer. The full text of the press release is incorporated into this Item 4 by reference.

On August 10, 2020, the Reporting Persons delivered another letter to the Board of Directors of the Issuer (the "Letter"). Pursuant to the Letter, in accordance with the provisions of the Issuer's Bylaws (and not pursuant to the SEC's Rule 14a-8) they nominated more than a dozen individuals as candidates for the board of the Issuer (the "Board").

The Reporting Persons believe that in the past there may have been failures of corporate governance by the Board of the Issuer and that these failures may have contributed to the catastrophic fall in the Issuer's stock price.

The Reporting Persons seek to improve the quality of the Issuer's Board. The Reporting Persons believe that a newly reconstituted Board that includes some of their nominees will better serve the interests of all of the Issuer's shareholders.

The Reporting Persons sought to avoid an expensive and distracting proxy contest. For this reason, the Reporting Persons were prepared to reach a reasonable compromise with the incumbent Board.

On November 10, 2020, the Reporting Persons filed a press release calling upon their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and to encourage the proxy advisory firms to do a detailed investigation of the incumbent Board members. The full text of the November 10, 2020 press release is incorporated by reference herein as Exhibit 99.3 and incorporated in this Item 4 by reference.

On November 19, 2020, the Reporting Persons filed another press release calling upon their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and to encourage the proxy advisory firms to do a detailed investigation of the incumbent Board members. The full text of the November 19, 2020 press release is attached hereto as Exhibit 99.4 and incorporated herein by reference.

The Reporting Persons acquired the Shares in the belief that the Shares were undervalued. The Reporting Persons have spoken to, and intend to continue to speak with, representatives of the Issuer's Board and management to discuss enhancing shareholder value and the potential for undertaking transactions which the Reporting Persons believe will be beneficial to stockholders of the Issuer, including the requested appointment of new members of the Board of the Issuer and the requested withholding (by shareholders of the Issuer) of votes for the Issuer's Board of Directors, as described above.

The Reporting Persons are considering all of their options, and while they have no present plan to do so (except as otherwise disclosed in this Item 4), they reserve the right and are considering whether to propose other transactions which relate to or would result in one or more of the actions specified in clauses (a) through (f) or (j) (as relates to (a) through (f)) of Item 4 of Schedule 13D. The Reporting persons have no present plan to propose any transaction which relates or would result in one or more of the actions specified in clauses (g) through (i) or (j) (as relates to (g) through (i)) of Item 4 of Schedule 13D.

The Reporting Persons may, from time to time and at any time: (i) acquire additional Shares and/or other equity, debt, notes, instruments or other securities of the Issuer and/or its affiliates (collectively, "Securities") in the open market or otherwise; (ii) dispose of any or all of their Securities in the open market or otherwise; or (iii) engage in any hedging or similar transactions with respect to the Securities.

Item 5. Interest in Securities of the Issuer

Large Ring Energy, Inc. Shareholders Concerned with Decisions of the Board of Directors and Call for all Shareholders to Withhold Votes on all Directors.

HOUSTON, TX, November 19, 2020 /PRNewswire/-- American Resources, Inc., and SK Energy LLC, the investment vehicle of Dr. Simon Kukes, one of the largest shareholders of Ring Energy, Inc. (NYSE: REI), announced today that they are very concerned with the decisions of the Board of Directors of Ring Energy, Inc.

As a result of this concern, SK Energy and American Resources urge all Ring Energy shareholders to withhold votes on all members of Ring Energy's Board of Directors in the upcoming election.

In late October 2020 the Board of Directors of Ring Energy appears to have priced an offering of Ring Energy shares. Individuals who purchased shares in this offering may have been led to believe that Ring Energy intended to close the sale of its Delaware Basin assets.

It appears that after the sale of Ring Energy shares in the offering was completed, Ring Energy announced in a press release dated October 30, 2020 that the sale of the Delaware Basin assets was not going to happen. Individuals who purchased stock in the offering may have lost money because they may have purchased with the expectation of a Delaware Basin asset sale that never happened.

Furthermore, the decision of Ring Energy to sell shares appears to have heavily diluted existing shareholders.

To the best of SK Energy's and American Resources' knowledge, no full investigation of the sale of Ring Energy shares in October 2020 has yet been conducted.

SK Energy and American Resources call upon each individual shareholder and institutional shareholder of Ring Energy to examine the actions of the Board of Directors with regard to the sale of Ring Energy shares in October 2020, and also call upon the proxy advisory firms to examine the actions of the Ring Energy Board of Directors.

SK Energy and American Resources are confident that, after a careful examination of the actions of the Ring Energy Board of Directors, others will conclude that a withhold vote on all directors is warranted.
