This Amendment No. 8 (the "Amendment") amends and supplements the Schedule 13D filed with the Securities and Exchange Commission (the "Commission") on October 21, 2019, by Dr. Simon G. Kukes, Mr. John J. Scelfo (no longer a member of the Reporting Group), Mr. Ivar Siem (no longer a member of the Reporting Group), and Mr. J. Douglas Schick, as amended by Amendment No. 1 thereto filed on February 18, 2020 ("Amendment No. 1"), Amendment No. 2 thereto filed on March 2, 2020 ("Amendment No. 2"), Amendment No. 3 thereto filed on August 12, 2020 ("Amendment No. 3"), Amendment No. 4 thereto filed on November 10, 2020 ("Amendment No. 4"), Amendment No. 5 thereto filed on November 19, 2020 ("Amendment No. 5"), Amendment No. 6 thereto filed on December 2, 2020 ("Amendment No. 6"), and Amendment No. 7 thereto filed on December 10, 2020 ("Amendment No. 7", and the Schedule 13D, as amended to date, the "Schedule 13D").

As used in this Amendment:

- "Common Stock" means the common stock of the Issuer;
- "Issuer" means Ring Energy, Inc.;
- "Reporting Persons" means Dr. Simon G. Kukes and Mr. J. Douglas Schick; and
- "Shares" means the aggregate of 6,607,680 shares of Common Stock of the Issuer beneficially owned by the Reporting Persons.

Other capitalized terms used but not otherwise defined in this Amendment have the meanings ascribed to such terms in the Schedule 13D. Except as expressly amended and supplemented by this Amendment, the Schedule 13D is not amended or supplemented in any respect, and the disclosures set forth in the Schedule 13D, other than as amended herein are incorporated by reference herein.

Item 4. Purpose of Transaction

On March 2, 2020, the Reporting Persons issued a press release, a copy of which is incorporated by reference herein as Exhibit 99.2 hereto, which included a letter to the Board of Directors of the Issuer. The full text of the press release is incorporated into this Item 4 by reference.

On August 10, 2020, the Reporting Persons delivered another letter to the Board of Directors of the Issuer (the "Letter"). Pursuant to the Letter, in accordance with the provisions of the Issuer's Bylaws (and not pursuant to the SEC's Rule 14a-8) they nominated more than a dozen individuals as candidates for the board of the Issuer (the "Board").

The Reporting Persons believe that in the past there may have been failures of corporate governance by the Board of the Issuer and that these failures may have contributed to the catastrophic fall in the Issuer's stock price.

The Reporting Persons seek to improve the quality of the Issuer's Board. The Reporting Persons believe that a newly reconstituted Board that includes some of their nominees will better serve the interests of all of the Issuer's shareholders.

The Reporting Persons sought to avoid an expensive and distracting proxy contest. For this reason, the Reporting Persons were prepared to reach a reasonable compromise with the incumbent Board.

On November 10, 2020, the Reporting Persons filed a press release calling upon their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and to encourage the proxy advisory firms to do a detailed investigation of the incumbent Board members. The full text of the November 10, 2020 press release is incorporated by reference herein as Exhibit 99.3 and incorporated in this Item 4 by reference.

On November 19, 2020, the Reporting Persons filed another press release calling upon their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and to encourage the proxy advisory firms to do a detailed investigation of the incumbent Board members. The full text of the November 19, 2020 press release is incorporated by reference herein as Exhibit 99.4 and incorporated in this Item 4 by reference.

On December 2, 2020, the Reporting Persons filed another press release calling upon their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and raising certain concerns regarding the qualifications and compensation of the Issuer's Chief Executive Officer. The full text of the December 2, 2020 press release is incorporated by reference herein as Exhibit 99.5 and incorporated in this Item 4 by reference.

On December 10, 2020, the Reporting Persons filed another press release noting that they believe that the slate of directors that are listed in the proxy mailed out by the Issuer do not represent the best interests of all shareholders, urging their fellow shareholders to withhold votes on all members of the Issuer's Board of Directors in the upcoming election and raising certain concerns regarding conflicts of interest between board members. The full text of the December 10, 2020 press release is incorporated by reference herein as Exhibit 99.6 and incorporated in this Item 4 by reference.

On December 17, 2020, the Reporting Persons filed another press release noting that they believe the lack of support shown by the shareholders of the Issuer at its December 15, 2020 Annual Meeting shows the Board of Directors of the Issuer needs to make changes as they no longer represent the best interests of all shareholders, and that they continue to be concerned with the Board's poor performance, conflicts of interest and potential violations of fiduciary duties and disclosure obligations. The Reporting Persons also called upon each individual shareholder and institutional shareholder of the Issuer to examine the actions of the Board with regard to the appointment and compensation of its new CEO and the sale of shares in October 2020, and to also examine all of the other potential distractions that the Board may face, and examine potential fiduciary duty issues and conflicts of interest that the Board may have; and further called for the incumbent Board of the Issuer to heed the voice of its shareholders and promptly add shareholder representatives to the Board in an effort to improve the overall quality of corporate governance and help drive shareholder returns. The full text of the December 17, 2020 press release is attached hereto as Exhibit 99.7 and incorporated in this Item 4 by reference.

The Reporting Persons acquired the Shares in the belief that the Shares were undervalued. The Reporting Persons have spoken to, and intend to continue to speak with, representatives of the Issuer's Board and management to discuss enhancing shareholder value and the potential for undertaking transactions which the Reporting Persons believe will be beneficial to stockholders of the Issuer, including the requested appointment of new members of the Board of the Issuer and the requested withholding (by shareholders of the Issuer) of votes for the Issuer's Board of Directors, as described above.

The Reporting Persons are considering all of their options, and while they have no present plan to do so (except as otherwise disclosed in this Item 4), they reserve the right and are considering whether to propose other transactions which relate to or would result in one or more of the actions specified in clauses (a) through (f) or (j) (as relates to (a) through (f)) of Item 4 of Schedule 13D (except as discussed above, in connection with a proposed change in the present board of directors and management of the Issuer, which may include proposals to change the number or term of directors or to fill vacancies on the Board). The Reporting persons have no present plan to propose any transaction which relates or would result in one or more of the actions specified in clauses (g) through (i) or (j) (as relates to (g) through (i)) of Item 4 of Schedule 13D.

The Reporting Persons may, from time to time and at any time: (i) acquire additional Shares and/or other equity, debt, notes, instruments or other securities of the Issuer and/or its affiliates (collectively, "Securities") in the open market or otherwise; (ii) dispose of any or all of their Securities in the open market or otherwise; or (iii) engage in any hedging or similar transactions with respect to the Securities.

Large Ring Energy, Inc. Shareholders Note Strong Lack of Support of Board and Management at Annual Meeting and Continue to be Concerned with Erosion of Shareholder Value, Conflicts of Interest and Potential Violations of Fiduciary Duties

HOUSTON, TX, December 17, 2020 /PRNewswire/-- American Resources, Inc., and SK Energy LLC, the investment vehicle of Dr. Simon Kukes, one of the largest shareholders of Ring Energy, Inc. (NYSE: REI), announced today that they believe the strong lack of support shown by the shareholders of Ring Energy at its December 15, 2020 Annual Meeting shows the Board needs to make changes as they no longer represent the best interests of all shareholders, and they continue to be concerned with the Board's poor performance, conflicts of interest and potential violations of fiduciary duties and disclosure obligations.

While Ring Energy's December 15, 2020 press release claims its shareholders voted "decisively" to approve the new Chairman and other Directors to the Board, less than half of the 68.6 million shares present and available to vote at the meeting actually voted in favor of the new Chairman and other Directors, **with 55% of shares present (~37.8 million shares) withholding votes either directly or through broker non-votes.** Hardly a "decisive" victory as portrayed by Ring Energy, with the reality being that **most of the shares present at the meeting did not support and approve the new Chairman and other Directors**, which was decidedly not the case in the past five years as illustrated in the chart below.

| Director Votes | Votes For | Votes Withheld | Broker Non-Votes | Total |
|----------------|-----------|----------------|------------------|-------|
| 2020 | 45% | 14% | 41% | 100% |
| 2019 | 55% | 11% | 33% | 100% |
| 2018 | 65% | 17% | 18% | 100% |
| 2017 | 82% | 2% | 16% | 100% |
| 2016 | 83% | 16% | N/A | 100% |

This clearly demonstrates a dramatic shift in shareholder support against the incumbent Board over the past few years.

SK Energy and American Resources believe the reason for this lack of support is due to Ring Energy's significant underperformance relative to its peers in the oil and gas sector --- indeed, Ring Energy's share price is down ~72% year to date through December 15th vs. a drop of ~34% in the XOP (SPDR S&P Oil & Gas Exploration & Production ETF) over the same period -- as well as the deep conflicts of interest on the Board and between the Board and its new CEO, the significant dilution created by Ring Energy's recent equity offering, and Ring Energy's potential fiduciary duty and disclosure issues related to the equity offering that was promptly followed by the termination of its Delaware asset sale, all of which have been previously discussed in recent announcements by SK Energy and American Resources.

In August 2020, SK Energy and American Resources proposed more than a dozen highly-qualified, independent individuals as candidates for the Board of Ring Energy -- none of whom were submitted to shareholders for approval at the recent Annual Meeting -- and SK Energy and American Resources again urge the Ring Energy Board to consider these candidates for immediate appointment to the Board.

SK Energy and American Resources continue to call upon each individual shareholder and institutional shareholder of Ring Energy to examine the actions of the Board of Directors with regard to the appointment and compensation of its new CEO and the sale of Ring Energy shares in October 2020, and to also examine all of the other potential distractions that the Board may face and examine potential fiduciary duty issues and conflicts of interest that the Board may have.

Given the significant lack of support of the Board as evidenced by their dismal Annual Meeting voting results, SK Energy and American Resources believe it is imperative that the incumbent Board heed the voice of its shareholders and promptly add shareholder representatives to the Board in an effort to improve the overall quality of corporate governance and help drive shareholder returns.
